 Village of Donnelly
 ATTN: Matthew Ferris, CAO
 Box 200, Donnelly, AB T0H 1G0
 Email: cao@donnelly.ca

Deadline of Applications: May 15th, 2022

Dumping in Sewer

There seems to be an increase in the dumping of diapers and sanitary products into the sewer system in the Village of Donnelly. Dumping of these items are clogging up the sewer and will eventually result in the increase of utility rates if it continues.

To help keep the sewage system working well and prevent blockages that can result in *basement flooding*, it is important **NOT** to flush or put the following products down the drain:

- Hygiene Products (sanitary products, diapers, condoms, wipes, cotton swabs, rags, etc.)
- Fats, oils and cooking grease
- Medication (pills or liquid)
- Household hazard waste (paints, pesticides, etc)
- Car and shop products (motor oil, antifreeze, etc)

Village of Donnelly is pleased to announce our new Council member – Gavin Scott. Please join us in congratulating Gavin as our new Council.

Please call Derek Gravel at 780-837-6036 for any issues with Public Works and/or Utility's
