BYLAW NO. 21-06

3.2 The Village will supply utility service only to the owner of the property that is a residential, commercial, industrial or institutional property, regardless of the fact that it may be rented or leased. In order to establish a utility account for a property, the registered owner must submit an application in writing to the Village in a form approved by the CAO...

3.3 Notwithstanding that all utility accounts shall be established in the name of the owner of the property, and the charges for the utility services provided to the property shall be an amount owing by the owner to the Village, the Village may accept payment of outstanding utility charges from persons other than the registered owner of the property including but not limited to the occupant or occupants thereof.

3.4 Any utility accounts in the name of a person leasing or renting a specific property in the Village at the time this Bylaw is given third and final reading may maintain their existing accounts with the Village for that specific property. If the tenant relocates to another property within the Village they will be unable to transfer the account to another property.

3.8 No persons will obstruct a Village authorized agent in the operation, maintenance, or testing of Facilities. Nor shall any person obstruct Village Facilities, equipment or other infrastructure.
