

# Notice of Hydrant Flushing

## **Hydrant Flushing Notice – June 27, 2025**

The Village of Donnelly is doing roadwork and getting ready to pave some areas.

As part of this work, we will be flushing (cleaning) the water pipes on **Friday, June 27th, 2025**, between **7:00 A.M. and 4:00 P.M.** in different parts of the village.

### **What this means for you:**

- Your water pressure might go up or down during the day.
- Your water might look a little dirty or rusty.

### **If your water looks discolored:**

- Run your **cold water tap** for a few minutes until the water looks clear.
- **Do not wash clothes** until the water is clear to avoid stains.

We appreciate your cooperation, and apologize for any inconvenience this may cause. Thank you!
